

Friday 15th October 2021

Dear Parent/Carer(s),

I hope you are all well. Your child should come home tonight with their school photograph. The details for ordering directly on-line are included on the pack and we believe this is the easiest of the methods outlined.

I cannot believe we have come to the end of our first half term here at Bluecoat Trent Academy. The staff have certainly enjoyed getting to know our cohort and I have seen some fantastic progress this term in lessons. I hope your child has too; we have tried to include something for everyone:

- Reading Smart, Frankenstein and Lightning Mary together
- The Science T Rex trip to Wollaton Park
- Basketball, football and netball team training
- Football fixtures against Bluecoat Beechdale and Trinity
- Enrichment including STEM, film studies, urban hockey, dodgeball
- Extra-curricular clubs including world languages, word games and Harry Potter!
- Student Leadership representatives at the Year 6 Open Evening
- Random Acts of Kindness week
- Black History Month
- Speakers for Schools and Sixth Form Mentor visits to launch our careers programme

Please be advised that when your child returns our high standards of uniform expectations, punctuality and homework will be a focus.

Finally, you can also find attached a letter from Nottingham City Council outlining how to best reduce the spread of Covid-19. I hope you enjoy the two week break and stay safe with your families.

Term restarts on Monday 1st November.

Thank you for all your continued support.

Yours sincerely,

Miss C McManus
Principal
